## Children's Swimming Lessons

- To ensure all swimmers are receiving the best service we can provide, all clients must book their lessons on either a specific booking date or prior to the commencement of the term.
- All bookings and payments for the next term of lessons must be made when booked during re-enrolment week. Any spaces not paid for by the end of the last lesson of the term will be offered to those on the swimming lessons waiting list.
- Unfortunately, any lesson missed during the term will have to be counted as a lesson. Due to full scheduling we regret that catch up lessons cannot always be organised.
- Any missed lessons may be credited if they were missed due to illness/injury. A doctor's letter should be given to the club manager who will deal with the issue.
- Parents/Guardians (members & non-members) must stay on the premises for the duration of the lesson and be ready to attend to their child 5 minutes before the lesson is due to finish or at any stage during the lesson should the child need assistance.
- Parents/Guardians must register and check-in their child for the swim lesson prior to the class.
- Children should wear flip flops or suitable footwear on the pool deck and in the changing rooms.
- All parents must escort their children to the pool deck and be present until the end of each lesson so each child can be handed over directly by their teacher.
- Blue shoes must be worn by parents on the pool deck area.
- The teacher will meet the parent at the end of the lesson at the changing room door.
- All non-member children are permitted in the pool for the duration of their lessons only and there is no access to any pool area prior to or after this time.
- No child can be left unattended at any stage.
- Parents must inform the teacher prior to the lesson if they have any concerns of their child.
- The Merrill Leisure Club endeavours to ensure that you always have the same teacher to keep consistency and high standards of teaching; however, if a teacher becomes ill or is unable to teach the class, we will supply another fully qualified instructor or reschedule the class. In the event that a swimming lesson has to be cancelled by The Merrill Leisure Club the lesson will be completed at either an agreed later date or barring that the swimmer will be credited with the amount of the lessons which will be deducted from the cost of the next course of lessons.
- Should you have any concerns about the standard of teaching or quality of the swimming lesson for your child, please contact The Merrill Leisure Club on 01-2761206
